- auto-numeration is active

- main blocks are separated by COMMA and end with a PERIOD
- the DOI must be given by default with the text 'DOI: '
- DOI or URL start on a new line (not a new paragraph)
- a URL must be provided with the additional text "Online" and the Access date in square brackets following the main blocks, for example, 'Online [Accessed 1 May 2023]'
- If the URL is a web page, the 'Source' block can be omitted.

Authors must be given in the form:

'With DOT Abbreviated first names, separated by SPACE or PROTECTED SPACE' SPACE 'Full family names separated by SPACE' COMMA - up to eight 8 authors, otherwise followed by '(+ NUMBER_OF_NOT_NAMED_AUTHORS more author(s))'
